Exporting Precaution: How Europe's Risk-Free Regulatory Agenda Threatens American Free Enterprise

www.wlf.org/upload/110405MONOKogan.pdf

by **Lawrence A. Kogan, Esq.**

Washington Legal Foundation

November 22, 2005

U.S.-based businesses of all sizes, but especially small and medium sized businesses will, over time, likely be subject to more stringent environment, health and safety (EHS™) regulations and related technical product standards. Whether they know it or not, many of these rules will have originated within the European Union (EU™) without their constructive input or consent - 'regulation without representation'™.
